 - 1.6. All work to be done in accordance with the relevant standards and specifications.
 - 1.7. All work to be done in accordance with the relevant standards and specifications.
 - 1.8. All work to be done in accordance with the relevant standards and specifications.
 - 1.9. All work to be done in accordance with the relevant standards and specifications.
 - 1.10. All work to be done in accordance with the relevant standards and specifications.
 - 1.11. All work to be done in accordance with the relevant standards and specifications.
 - 1.12. All work to be done in accordance with the relevant standards and specifications.
 - 1.13. All work to be done in accordance with the relevant standards and specifications.
 - 1.14. All work to be done in accordance with the relevant standards and specifications.
 - 1.15. All work to be done in accordance with the relevant standards and specifications.
 - 1.16. All work to be done in accordance with the relevant standards and specifications.
 - 1.17. All work to be done in accordance with the relevant standards and specifications.
 - 1.18. All work to be done in accordance with the relevant standards and specifications.
 - 1.19. All work to be done in accordance with the relevant standards and specifications.
 - 1.20. All work to be done in accordance with the relevant standards and specifications.
 - 1.21. All work to be done in accordance with the relevant standards and specifications.
 - 1.22. All work to be done in accordance with the relevant standards and specifications.
 - 1.23. All work to be done in accordance with the relevant standards and specifications.
 - 1.24. All work to be done in accordance with the relevant standards and specifications.
 - 1.25. All work to be done in accordance with the relevant standards and specifications.
 - 1.26. All work to be done in accordance with the relevant standards and specifications.
 - 1.27. All work to be done in accordance with the relevant standards and specifications.
 - 1.28. All work to be done in accordance with the relevant standards and specifications.
 - 1.29. All work to be done in accordance with the relevant standards and specifications.
 - 1.30. All work to be done in accordance with the relevant standards and specifications.
 - 1.31. All work to be done in accordance with the relevant standards and specifications.
 - 1.32. All work to be done in accordance with the relevant standards and specifications.
 - 1.33. All work to be done in accordance with the relevant standards and specifications.
 - 1.34. All work to be done in accordance with the relevant standards and specifications.
 - 1.35. All work to be done in accordance with the relevant standards and specifications.
 - 1.36. All work to be done in accordance with the relevant standards and specifications.
 - 1.37. All work to be done in accordance with the relevant standards and specifications.
 - 1.38. All work to be done in accordance with the relevant standards and specifications.
 - 1.39. All work to be done in accordance with the relevant standards and specifications.
 - 1.40. All work to be done in accordance with the relevant standards and specifications.

| SCHEDULE OF AREAS | |
|------------------------|-----------|
| GROUND FLOOR | |
| HOUSE | 138.7 sqm |
